Supplier Portal: Rebates Dashboard for Supplier Partners: Training

OVERVIEW

Facilisgroup has created a new Supplier Portal with its own unique URL: <https://supplier.facilisgroup.com>

In the Supplier Portal, Supplier Partners will be able to:

1. View Rebate information for all Distributor Partners.
2. Audit the estimated Rebate and accept or adjust the amount calculated.
3. Adjust the Rebate amount in case of a dispute with the Distributor Partner.

NOTE: All changes to submitted Rebates are pushed to Syncore for the Distributor Partners to review.
